## Ball sports games are good for any weather!

Balls & Goals games collection is a land full of dexterity and logical challenges. What can you do with the balls? Push, throw, bounce, roll ... Look and shoot! There are classic games, such as golf or billiards, but in a completely new version. Ideal proposition for free time and party. See what exciting fun is waiting for you in the world of balls.

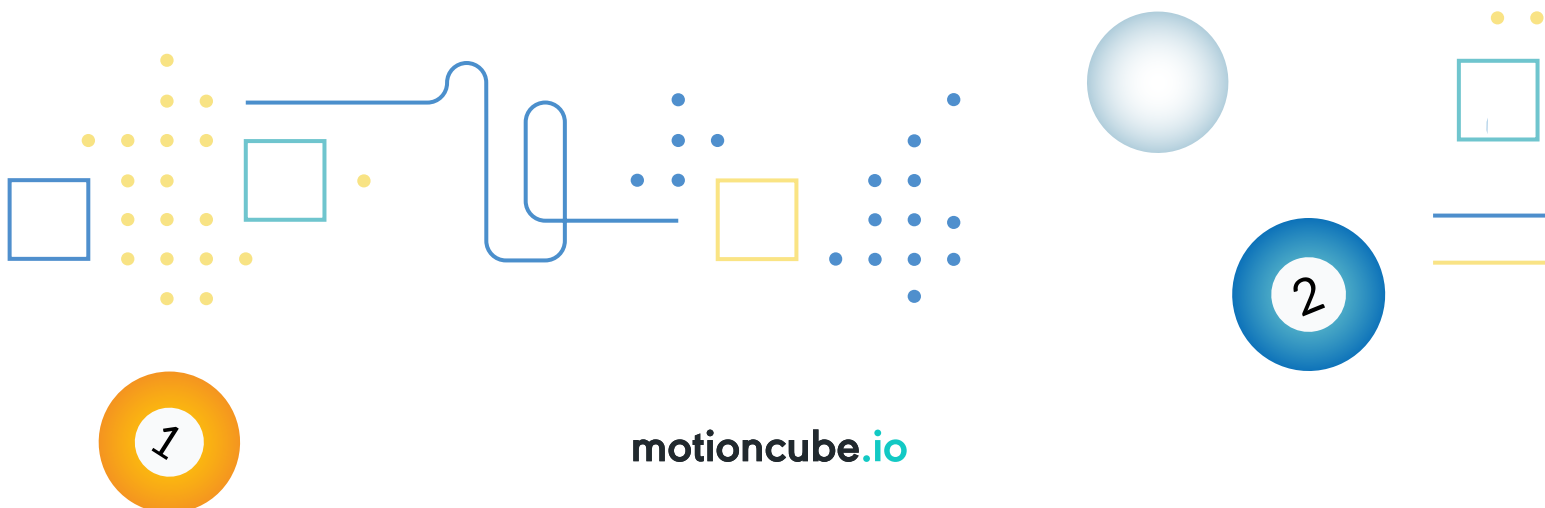

## Who is it for?

The Balls & Goals games can complement everyday educational activities for schoolchildren, as well as corrective, compensatory and revalidation classes. It can also make the time spent by children of all ages more attractive in day-care centers, educational institutions, community centers and at home. It is also a great proposition for families, both children and parents will have a great time!

## What are objectives of these activities?

The games can be, above all, a great form of entertainment for the youngest - and not only. They can be used to integrate the peer group, creating opportunities for development, learning to follow the rules and fair play. The proposed games practice dexterity, spatial orientation and strategic thinking. The authors of the package tried to respond to the developmental needs of schoolchildren, focusing primarily on supporting motor and sensory skills during organized and safe games and games.

## What is inside?

The Balls & Goals collection includes four interactive games. Each of them is based on the activity with the use of balls or balls and is derived from well-known sports games such as golf, boules, football and billiards. A sports tournament can be played with two or more players, and the result of the game is presented in real time. The game operation is simple, take aim and shoot taking into account the changing situation on the boards.

## Child development support

The applications included in the Balls & Goals have been developed in accordance with the assumptions of the General Education Curriculum for Primary School.

Playing the Balls & Golas games you can practice:

- motor and sensory skills,
- concentration of attention,
- spatial orientation,

The world of balls is coming!

## The Balls & Goals include ten games

### 1. Billiards

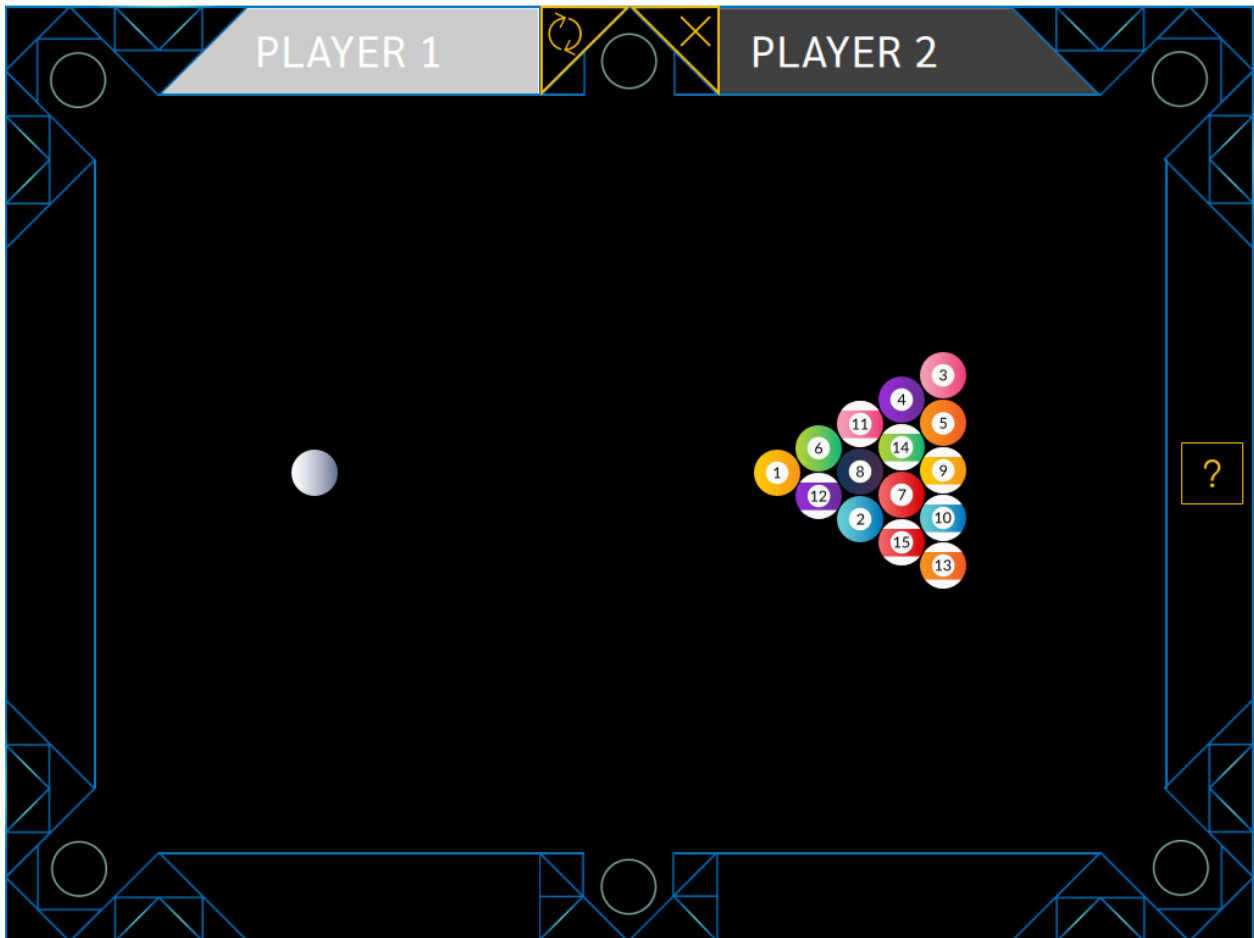

Game mode: tournament, individual

Players: 1-2

Age: 7+

Time > 15 min

Let's play billiards! Put all the colored balls into the pockets! Choose your target, set the stick at the right angle, adjust the power of your strike and shoot. Choose your game mode - Casual or Tournament, and be active! A sports game for children of early school age, school age, youth and adults. In single-player casual mode, in two-player tournament mode.

## 2. Caps Soccer

Game mode: tournament

Players: 2

Age: 5+

Time > 10 min

Score a goal into the opponent's goal! The players take turns drawing one line at a time along the side of one grid or diagonally. If they touch an existing stretch, they gain extra traffic. An arcade game for children of early school age, school age, youth and adults. A game for two teams with one or more players.

### 3. Mini-golf

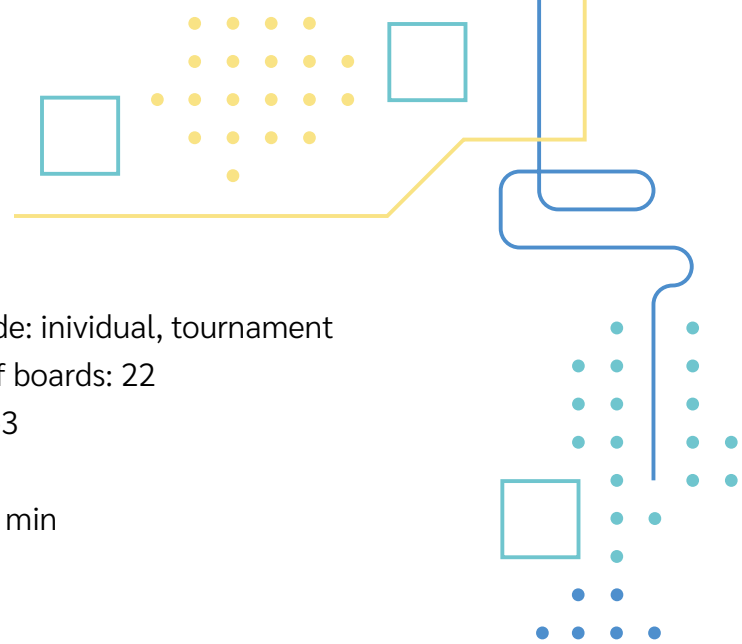

Game mode: individual, tournament

Number of boards: 22

Players: 1-3

Age: 5+

Time > 15 min

Go to the golf course! Attention, you will meet boggy sands there, which will slow down the speed of the impact, and turbo zones that will give your ball a cosmic acceleration. Hit the ball into the hole with as few shots as possible. You can play alone on the board of your choice or play a two or three-person tournament in three, six or nine rounds. Use clever special areas on the golf course to get the ball to its destination.

## 4. Petanque

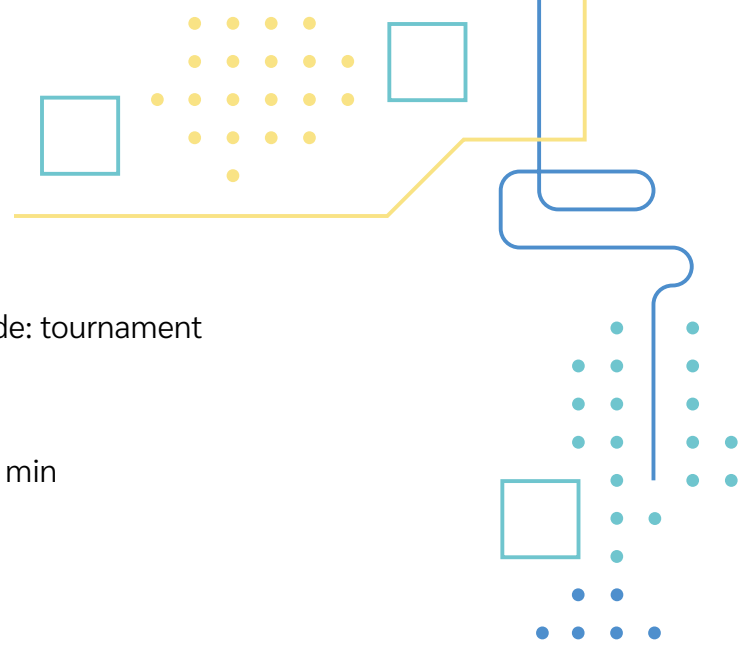

Game mode: tournament

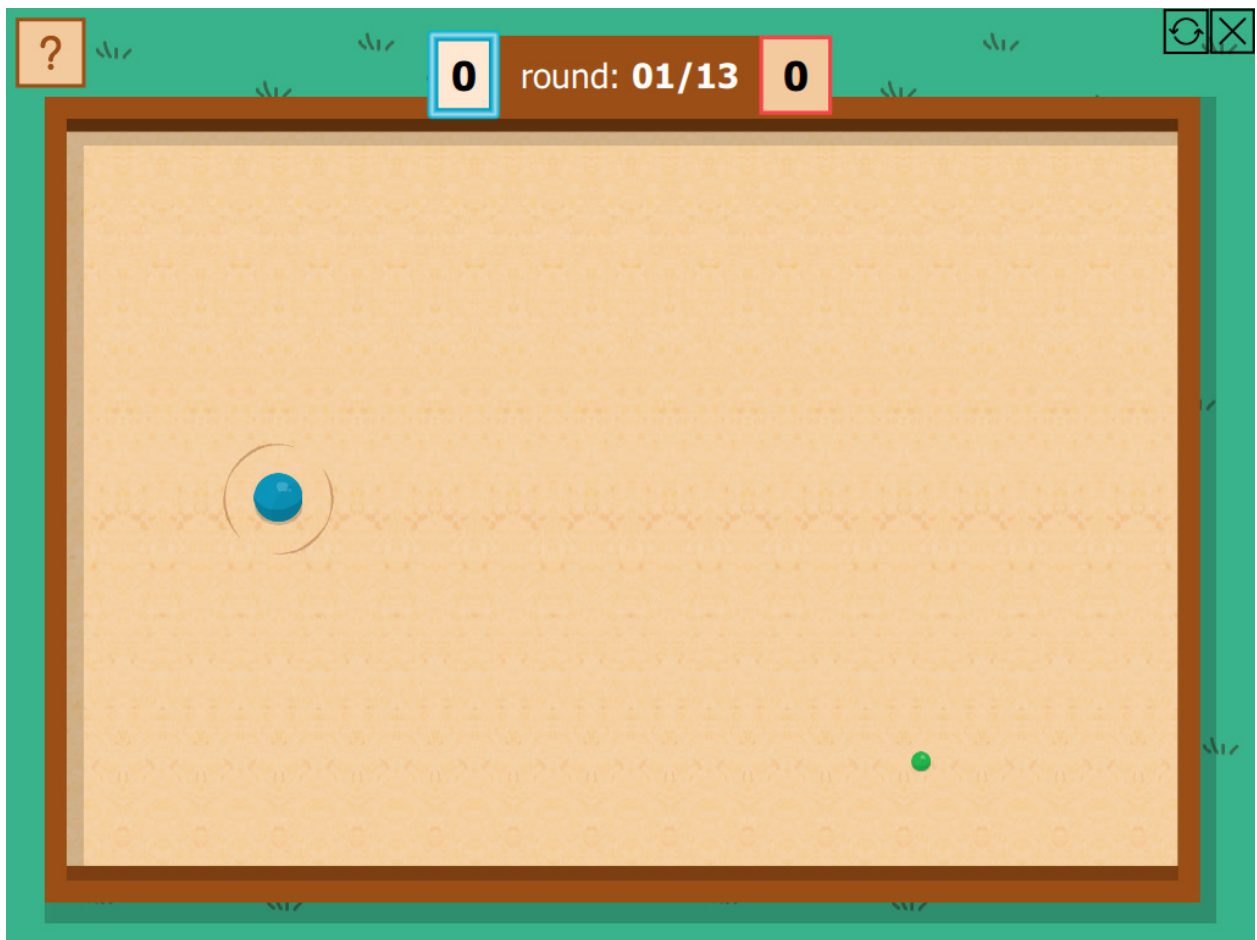

Players: 2

Age: 5+

Time > 10 min

Let's play Bule! Place your balls closest to the pig! Fight for victory by getting closer to the small green ball and killing your opponent's balls from its vicinity. Think about your move to help your team win. An arcade game for children of early school age, school age, youth and adults. A game for two.
